Aren't they going to meet with the City, too?

Subject: Meeting among EPA, the Downs and the EXPO

Hello Christen, John, Dan and John,

I hope you are all well. Thank you for your patience with EPA on getting back to you. My management will be in Albuquerque for a tribal conference, but would like to set aside time to discuss possible administrative settlement with both the Downs and the EXPO together. EPA is available the morning of August 8, Thursday, for two hours. John Blevins (the Enforcement Director), Suzanne Murray (the Regional Counsel) and Jerry Saunders (the Associate Director of Water) will represent EPA. To make the most of everyone's time, it would be helpful if high-level officers/final decision makers and attorneys from the Downs and the EXPO were present. I understand that there is a conference room at the EXPO fairgrounds, so if we could have the meeting there, that would be good.

I realize that schedules are tight especially in the summer and this proposed date of August 8, Thursday, is less than one month away, but it would be greatly appreciated if this meeting could

take place.

Please let me know as soon as you can if this meeting can happen and who will be in attendance.
Many thanks.
